Subject: Change to CSF oligoclonal banding order

Effective May 18, 2026, in order to better serve our patients and ensure that all necessary specimens are collected to complete testing, the EPIC order for CSF Oligoclonal Banding testing is being changed. The new order set/panel is shown below.

New Order Sets & Panels: Oligoclonal Banding, CSF with Serum
(Synonyms: CSF Electrophoresis, CSF Protein)

The current order will be removed automatically by the ISD Epic Team from system and users' personal preference lists so that it cannot be mistakenly ordered. **No action is needed by users**, this new order will automatically update to personal preference lists.

If you have any questions related to these changes, please contact the Special Chemistry Laboratory at 984-974-1415.
