

UNC
HEALTH CARE

MEMORANDUM #75

TO: UNC Hospitals Attending Physicians, Housestaff, Nursing Coordinators,
Department Heads and Supervisors

FROM: *ACW* Herbert C. Whinna, MD, PhD; Director, McLendon Clinical Laboratories
JJ Charles Jennette, MD; Chief of Pathology and Laboratory Medicine Services

DATE: *JJ* October 1, 2013

SUBJECT: Change in Directorship of Special Coagulation Laboratory

Effective September 23, 2013, Marian Rollins-Raval, MD MPH has become the Director of Special Coagulation Laboratory in McLendon Clinical Laboratories. In addition, Dr. Rollins-Raval will be the Associate Director of the Flow Cytometry Laboratory and an attending on the Hematopathology Service.

Please welcome Dr. Rollins-Raval and work with her to continue the excellence of Pathology and Laboratory Medicine services in McLendon Clinical Laboratories at UNC Hospitals.
