

UNC  
HEALTH CARE

**MEMORANDUM #73**

TO: UNC Hospitals Attending Physicians, Housestaff, Nursing Coordinators,  
Department Heads and Supervisors

FROM: J. Charles Jennette, MD, Chair of Pathology and Laboratory Medicine *JCJ*  
Herbert C. Whinna, MD, PhD, Director, McLendon Clinical Laboratories *HWh*

DATE: September 28, 2012

**SUBJECT: Change in Directorship of Hematopathology**

---

Effective October 1, 2012, Yuri Fedoriw, MD will be the Director of Hematopathology in McLendon Clinical Laboratories. As well as serving as Director of Hematopathology, Dr. Fedoriw will continue to serve as Director of Analytical and Special Hematology Laboratories.

Please join us in congratulating and supporting Dr. Fedoriw as he transitions to his new responsibilities.
