**MEMORANDUM #74**

TO: UNC Hospitals Attending Physicians, Housestaff, Nursing Coordinators,  
Department Heads and Supervisors

FROM: *JCJ* J. Charles Jennette, MD, Chair of Pathology and Laboratory Medicine  
*HW* Herbert C. Whinna, MD, PhD, Director, McLendon Clinical Laboratories  
*CS* Catherine Hammett-Stabler, PhD, Executive Director, Core Laboratory

DATE: November 14, 2012

**SUBJECT: Change in Directorship of Automated Hematology and Smear Review**

---

Effective November 12, 2012, Stephanie Mathews, M.D. became the Director of Automated Hematology and Smear Review in the Core Laboratory of McLendon Clinical Laboratories. In addition to this new role, Dr. Mathews will continue to serve as an attending on the Hematopathology Service.

Please join us in congratulating and supporting Dr. Mathews as she transitions to her new responsibilities.
