

MEMORANDUM # 63

TO: UNC Hospital Attending Physicians, Housestaff, Nursing Coordinators,
Department Heads, and Supervisors

FROM:  J. Charles Jenette, M.D., Brinkhous Distinguished Professor and Chair of
Pathology and Laboratory Medicine

SUBJECT: **Change in directorship of William McLendon Clinical Laboratories**

DATE: February 6, 2009

On January 29, 2009, Herbert C. Whinna, M.D., Ph.D., Associate Professor of Pathology and Laboratory Medicine, was appointed Interim Director of McLendon Clinical Laboratories and Interim Director of Transfusion Medicine. Dr. Whinna will continue his roles as Director of the Clinical Coagulation Laboratory and Director of Laboratory Information Services.

The former Director of McLendon Clinical Laboratories, Dr. Mark Brecher, will be leaving the department on March 1, 2009, after a stellar career in academic laboratory medicine at UNC.

Please work with Dr. Whinna to continue the excellence of pathology and laboratory medicine services at UNC Hospitals.
