Please make sure you have picked up your shadow badge prior to presenting for your shadow session (Volunteer Services does not open until 9am, please make arrangements to pick it up prior to that date).

Shadowing means you will only observe the interaction between the patient and the staff. We ask that you do not engage in clinical questions with either the patient or the staff member to allow us to maintain our workflow.

If you need your observation hours verified, please have the staff member sign the form attached with date, time and area of observation.

Please remember to not use your phone while observing.

With questions, please reach out to Kristel Maes and Nick Camilleri, Therapy Services Educators at [clinicaledreq@unchealth.unc.edu](mailto:clinicaledreq@unchealth.unc.edu)

**IF YOU ARE UNABLE TO ATTEND, PLEASE CALL US AT 984-974-0208 TO REMOVE YOU FROM OUR CALENDAR. FAILURE TO DO SO WILL RESULT IN RESTRICTION TO SHADOWING OUR DEPARTMENT.**
