TO: UNC Hospitals Attending Physicians, Housestaff, Nursing Coordinators,
Department Heads and Supervisors

FROM: *MCW* Herbert C. Whinna, MD, PhD; Director, McLendon Clinical Laboratories
RF Russell Broaddus, MD, PhD; Chief of Pathology and Laboratory Medicine Services

DATE: April 29, 2025

SUBJECT: Change in Directorship of Special Coagulation Laboratory

Later this summer, Dr. Danielle Maracaja will be leaving UNC Health to pursue another professional opportunity. Dr. Maracaja will continue as an Attending Pathologist for the Coagulation Services in McLendon Clinical Laboratories at UNC Hospitals until that time. To best facilitate this transition, Herbert C. Whinna, MD, PhD will take over as Director of the Special Coagulation Laboratory in McLendon Clinical Laboratories, effective immediately.

Please thank Dr. Maracaja for her work to continue the excellence of Pathology and Laboratory Medicine services in McLendon Clinical Laboratories at UNC Hospitals and congratulate her on her new opportunity.
