

Memorandum Core #218

To: UNC Hospitals Physicians, Eastowne, Hillsborough Hospital and Affiliates

From: *HCU* Herbert C Whinna, MD, PhD
Medical Director, UNCMC McLendon Clinical Laboratories
Eastowne MOB Laboratory

SWC Steven W. Cotten, PhD
Director of Automated Chemistry, UNC Medical Center

Date: March 20, 2025

Subject: C3 Testing Sent to Mayo Clinic

Effective immediately C3 testing will be sent to Mayo Clinic until mid-June 2025 due to reagent backorders. The specimen type and ordering will remain the same in EPIC, but turnaround time will be 2-3 days.

For questions, please contact.
