10:00 AM to 2:00 PM

Starbucks Outdoor Patio, UNC Cancer Hospital

EXHIBIT, DEMONSTRATIONS, AND CULTURAL ARTS & CRAFTS SALES APPLICATION

The purpose of the fair is to celebrate the diversity of employees at UNC Health Care and the community we serve, provide education and promote tolerance. Employees and members from the community are invited to participate by displaying an exhibit, hosting a demonstration, or selling a cultural craft. This application is for those interested in displaying an exhibit, presenting a demonstration or selling a cultural craft. All applications are tentative until approved by the planning committee.

Exhibits and Demonstrations

To celebrate this year, we are interested in exhibits/demonstrations/crafts that show creativity and diversity. We are looking for displays of art, clothing, crafts, books and other information that expresses and celebrates different cultures/beliefs. Exhibits help promote diversity and cultural competence through a variety of art forms (painting, photography, clothing design, crafts, etc.). Informational exhibits that show how your unit/department incorporates the concepts of cultural competence are encouraged. A table will be provided for you to display your informational poster board(s). Please inform us if you need access to an electrical outlet.

Past exhibits have included:

- Information about a country/region/state
- Cross Cultural Comparisons
- Employee Travel Pictures
- Tattoos from Around the World
- Poverty as an Aspect of Diversity

Each exhibit will be automatically entered into the Exhibit Contest where one outstanding display will be awarded a trophy and prize for best of show and a second display will be awarded a trophy and prize as determined by votes for the People's Choice.

Cultural Arts & Crafts Sales

For an exhibitor to sell cultural items, provide an example of your work (in person or electronically) along with the application form. Eligible work must be **handcrafted** by the exhibitor and have cultural significance or background. Items not eligible include those that are primarily made from kits, molds and/or manufactured.

A small fee will be charged based on the structure below. The correct fee is to be submitted along with the application. An applications is not complete and will not be honored unless the fee is included with the application. All applications will be reviewed and approved by a committee. Fees will be returned if an application is not approved.

- Employee / Retiree Sales - \$20.00 Fee Required
