

Memorandum – Immunology #10

To: UNCHCS Attending Physicians, Housestaff, Clinical Nurse Coordinators, Department Heads, and Supervisors

From:  John Schmitz, Ph.D., Director
Immunology, Histocompatibility and Immunogenetics Laboratories

 Eric Weimer, Ph.D., Associate Director
Immunology, Histocompatibility and Immunogenetics Laboratories

 Herbert C. Whinna, M.D., Medical Director
McLendon Clinical Laboratories

Date: November 16, 2021

Subject: IL-6 Testing

Effective 11/29/2021 the Clinical Immunology Laboratory will no longer perform IL6 testing in house. Current sample volumes no longer support in house performance. All samples for IL6 testing will be referred to Mayo Medical Laboratories via the Referral Testing Laboratory.

The same ordering information will be used for requesting IL6 determinations (Interleukin-6; LAB332).

Questions about referring samples for IL6 testing can be directed to the Referral Laboratory at 984-974-1414 or the Immunology Laboratory at 984-974-1815.
