Memorandum - Immunology #29

To: UNC Health System Physicians, Faculty Practice Physicians, Housestaff, Clinical Nurse Coordinators, Department Heads and Supervisors

From: John Schmitz, PhD, Director, Immunology Laboratory

Eric Weimer, PhD, Associate Director, Immunology Laboratory

Herbert C. Whinna, MD,PhD; Medical Director
McLendon Clinical Laboratories

Date: June 25, 2025

Subject: ANA Testing In-house

Effective Monday, June 30, 2025, the Clinical Immunology Laboratory will restart in house immunofluorescent ANA testing. Instrumentation problems have been resolved and all locations that have been referring samples to outside laboratories for ANA testing can resume submission to McLendon Clinical Immunology Laboratory. Those sites that previously referred ANA testing to an outside laboratory should continue to do so.

For questions, please contact the Clinical Immunology Laboratory at 984-974-1815.
